

15

BUSINESS AND LIFE LESSONS LEARNED OVER 15 YEARS

1. Love your colleagues,
love your clients

2. If you want
to lead, serve
others

3. Partner only
with those who
match your
values

4. Lead
through
strengths

5. Force yourself
to be uncomfortable

6. Nothing can
take the place
of persistence

7. Choose conscientious
teammates who get it,
want it, and have the
capacity

8. Accept that life is
just messy

9. Create momentum
every morning

10. Trust is earned through
communication

11. Develop your
extroversion. Let
yourself be awkward
with others

12. Find gratitude
each day

13. Embrace
imperfection
and forgive

14. Stand up
for what you
believe
very carefully

15. Have faith
